MÂCON-VILLAGES

Grape variety: Chardonnay.

Harvest: The vines are harvested between the start of
October and the end of the November with most of the
grapes.

Soils: Clay, limestone, and, typical of Burgundy, are also
the most of the vineyard.

Vineyard: All vineyards.

Production: The wine is extracted slowly at low pressure
to preserve the quality of the juice. The wine is then
filtered and aged in the vineyard. The wine is then
aged and aged in the vineyard. The wine is then
aged and aged in the vineyard.

Tasting notes: A clear and light wine with notes of
apple, pear, and peach. The wine is then
aged and aged in the vineyard. The wine is then
aged and aged in the vineyard.

Food pairing: Usually expensive, but with a good
and rich, it is perfect for dinner, especially with
grilled meats.

Serving temperature: Serve between 11 and 12°C.

Label: 100% Chardonnay.
